Green: Indicates the days when it will be a harvest, depending on the height of low tide.

Orange: Indicates days when it will be a guided walk, depending on the height of low tide.

*****The museum ticket office opens at 9:00 a.m., so you must reserve the day before at 5:00 p.m. at the latest*****

*****The fish harvesting activity is replaced by the guided beach walk when the Tide does not allow fishing. The walk does not include emptying the fyke net, since the height of the Tide does not allow access to the net.**
